2022-2023 ANNUAL REPORT

FOUNDER'S MESSAGE

Here at Turtle Wing Foundation we are constantly inspired by the individuals we serve. This year our theme was "fly" and our bible verse was from Isaiah 40:31, "Those who hope in the Lord will renew their strength. They soar on wings like eagles..." When God gave me the name Turtle Wing, I knew Jack was in his Heavenly home playing with his turtles and flying with the angels. Now, when I think about Jack and Turtle Wing, it is amazing how his life, his legacy has influenced hundreds of individuals, families and providers in our rural area. Turtle Wing helps so many "grow wings and fly" and it is an honor and a privilege to acknowledge and celebrate that growth. Most importantly, to our wonderful supporters, "THANK YOU!"
 God bless! -DeeAnn Hooper

Helping individuals with learning challenges in rural areas achieve their full potential by providing access to a shared network of emotional, educational, and therapeutic resources

A YEAR IN REVIEW

Not only does Turtle Wing serve as a resource hub, connecting families who have children with learning challenges to the needed resources in the community, but we also help those families afford the services, as well as look for partnerships to create new opportunities for our families. By connecting with provider partners, Turtle Wing has the ability to underwrite programs, as well as fund individual scholarships for services ranging from speech therapy to inclusive dance class.

Colton is a Turtle Wing kid. With the help of Turtle Wing we were able to get him speech, occupational, and music therapy. This past December after meeting all goals set for him, he was dismissed from special education services. He couldn't have achieved any of this without Turtle Wing. Thank you. The Kelley Family.
